Work Experience/Projects

- 2025-2026 **Lighting Design** **Sales Engineer**
I held responsibilities of Sales Engineer and supported Sales managers in Estimation, CAD Designs, Shop Drawings, Lighting Proposals, BOQS, BOMs and Batch Productions
- 2021-2022 **Short term industrial research project**
I have worked on an industrial research project titled "Experimental study on desiccant coated heat exchangers" during my final year, report submitted to professor is mentioned in the link - SIRE report
- 2021-2022 **Thermal Engineering Project**
I have been carrying out research work on HPT blade to improve its efficiency as mentioned in the report -TEP
- 2021-2022 **UG Research Project**
I have been carrying out research work through CFD simulation studies on receiver tube of PTC to improve its efficiency. research paper published is as follows - Thesis
- 2019-2022 **Team Tiburon** **Member**
I have been Working on mechanical segment of an AUV team to create DFMA, maintain and manufacture for competitive and R&D purposes.
- 2018-2020 **UDAAN aeromodelling team** **member**
I have been doing experimental study on Hobby aircraft.

Achievements/Certifications

- 2021 **Simulink onramp** **MATLAB**
Completed self paced course by MATLAB - bit.ly/3xeyoL1
- 2021 **MATLAB for Financial Applications** **MATLAB**
completed self paced course by MATLAB - bit.ly/3COMF1J

Extra Curricular Activities

- 2018-2020 **Cadet, National Cadet Corps**
I have been part of the youth organization of Indian Army and attended several NCC and military camps.
- 2021-2022 **Captain, Team Tiburon**
I held responsibilities of captain of autonomous underwater vehicle team of the institute.
- 2020-2021 **Technical head, UDAAN**
I led the aeromodelling club of the institute by guiding the members through technical challenges.
- 2021-2022 **Mechanical subsystem Mentor, NITRRSSG**
I mentored mechanical subsystem in the newly formed team for robocup (robotics soccer competition).
