PRODUCT INFORMATION

GOLDEN HARBOUR

COPPER HEX BAR

PRODUCT INFORMATION

Alloy	C1100, C18200, C10200, and Equivalent
Condition	Drawn, Extruded
Norm	ASTM, DIN, JIS AND EQUIVALENT
Size Range	5mm TO 90mm

Applications:

Manufacturing and Engineering

- Machine Parts
- Heat Exchanger

Electrical Application

- Connectors and Terminals
- Wires and Cables

Automotive Industry

- Fittings and Components
- Radiators

Plumbing & Sanitary Fittings

- Pipe and Tubes
- Fittings

Marine& Aerospace Application

- Heat Sink and Cooling System
- Structural Components

Renewable Energy

- Solar Panel
- Energy Storage

Properties :

Machinability	**Excellent**
Hot Workability	**Excellent**
Cold Workability	**Good**
