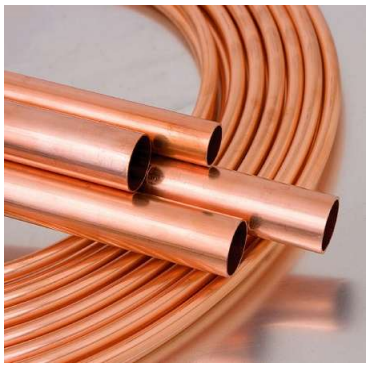
PRODUCT INFORMATION

GOLDEN HARBOUR

COPPER PIPES, TUBES & COILS

PRODUCT INFORMATION



Alloy	C12200, CW024A, C106, C1220 & Equivalent
Condition	Drawn, Annealed, Seamless
Norm	ASTM, BS, DIN, EN, JIS AND EQUIVALENT
Size Range	4mm to 110mm

Applications:

Industrial Applications

- Chemical Processing
- Pharmaceutical Industries

HVAC Systems

- Heating, Ventilation
- Air Conditioning

Solar Thermal System

- Solar Water Heating

Heat Exchangers

- Heat Transfer System

Underfloor Heating Systems

- Radiant Heating

Automotive Systems

- Cooling Systems in Vehicle

Electrical Industry

- Inductors
- Transformers

Marine Industry

- Cooling
- Heating

Properties :

Thermal Conductivity - High

Electrical Conductivity - Good

Ductility & Malleability - Excellent

Corrosion Resistance - Excellent

Non Toxic and Safe For Water Supply

100% Recyclable
