PRODUCT INFORMATION

GOLDEN HARBOUR

BRONZE ROUND BAR

PRODUCT INFORMATION

Alloy	RG5, RG7, RG12, AND LG2
Condition	CG Continous Casting
Norm	ASTM, BS, DIN, JIS AND EQUIVALENT
Size Range	13mm to 520mm

Applications:

Marine & Shipbuilding Industry

- Propellers & Pumps
- Underwater Fittings & Valves

Industrial Machinery & Engineering

- Gears & Worm Wheels
- Valves & Pump Components in oil & gas
- Slide Plates & Strips

Electrical & Electronics

- Contacts & Springs in electrical switches
- Connectors, Relay
- Power Transmission
- Wire & Cables in telecommunications

Construction & Architectural Applications

- Doors, Windows & Railings
- Coins & Medals
- Sculptures & Monuments

Automotive & Aerospace Industry

- Plain Bearing Shells
- Brake Discs & Clutch Components
- Engine Parts

Properties :

Machinability	**Very Good**
Finish	**Pre-Lathe Quality**
Ductility	**Moderate to High**
Wear Resistance	**Excellent**
Corrosion Resistance	**Excellent**
